She ended up circling back with us after her initial email with the clarification that it was still undergoing reconciliation.

Aha – thanks. (I was assuming Jeannanne’s statement below was accurate.)

Hey Mike,

I’ll just add that as of yet, the bill has not passed both houses of the legislature. Currently, there is a bill from both sides of the legislature, and they are working on reconciliation. I understand the current legislative session to end tomorrow.

Hi you all – wanted to give you a chance to apprise Dave before we send a note to Susan, but will probably do that later today, to let her know this issue is largely resolved. So please let me know if there’s some reason to delay sending. Thx

Jeaneanne has asked if you can give your impression of HB 1091 before noon tomorrow. I know she would like OCEFT's impression as well. She's talking with the RA at 1:00.

Thanks,

Matt

I think we should move quickly, but no deadline. I am totally tied up until tomorrow, but will share thoughts tomorrow morning.

Is there a time critical element here or do we have some flexibility?
